CSR D TRUNK SALE IN SALMON ARM

The Columbia Shuswap Regional District (CSR D) is hosting its 4th Annual Trunk Sale in Salmon Arm. The Trunk Sale is being held on the north side of the Salmon Arm Fairgrounds located at 481 5th Avenue SW, Salmon Arm on Saturday, June 10, 2017. The event champions the concept of reuse and recycle, with one giant community garage sale.

Carmen Fennell, Waste Reduction Facilitator with the CSR D says, "This is a great opportunity to unclutter your life! Trunk Sales encourage you to pass your unwanted items on to others who could use them, so it's about reuse, bargains and less items ending up in the landfill."

Fennell explains, "This is an opportunity for people that wouldn't normally host their own garage or yard sale, those that live in condos, apartments or simply have no yard. It's also for people who only have a small amount of garage sale items and don't want to host their own sale; everyone is welcome to take part."

There has been a tremendous response to the last three events held in Salmon Arm, with over 60 vendors participating at each event, and the Regional District would like to repeat this success. Vendors can sell everything from boats and bikes, to clothing and furniture. Anyone interested in being a vendor should sign up early. Just as the name suggests, you do the selling from the trunk of your car, van or the back of your pickup. There's no charge to be a vendor, but you do need to pre-register.

The deadline to register as a vendor is Wednesday, June 8, 2017. To register, please visit the CSR D website at www.csr d.bc.ca/Salmon-Arm-Trunk-Sale or contact Carmen Fennell, Waste Reduction Facilitator at 250.833.5936.

If you don't have items to sell at the Trunk Sale, be sure to come and shop for some great bargains on the sale day. The Trunk Sale **runs from 8 AM to 12 PM, Saturday, June 10, 2017** on the north side of the Salmon Arm Fairgrounds located at 481 5th Avenue SW, Salmon Arm.

**For further information please contact the Waste Reduction Facilitator at 250.833.5936
