EXPLORE THE CSR D'S ANNUAL REPORT

The year 2020 has been like no other.

The Columbia Shuswap Regional District's (CSR D) 2020 Annual Report reflects the unusual circumstances and challenges created by the COVID-19 pandemic but also reviews the year's accomplishments towards its strategic goals.

The CSR D's 2020 Annual Report is now available to the public online and is featured on the home page of our website under the Quicklinks tab.

It provides a comprehensive overview of the CSR D's services, financial data, programs and projects for our constituents, Board Directors, staff, volunteers and community stakeholders throughout the region. The report provides a detailed overview of how the CSR D continued to use the direction of its Strategic Plan (2019-2022) to focus its efforts and examines how the CSR D took action to satisfy these objectives.

This report is our chance to better inform our residents of the types of programs and services we deliver on a region-wide, sub-regional and local basis. The CSR D also wants to enhance transparency and promote open conversation with our constituents by accounting for how tax dollars are being spent and what progress has been made on various priority projects.

Due to our commitment to reducing waste and keeping costs down, the CSR D is providing the 2020 Annual report in digital format for online viewing.
