

EVACUATION ALERT LIFTED

May 9, 2022 – 10:00 Hours

The **Evacuation Alert** issued by the District of Sicamous through the Shuswap Emergency Program due to the potential danger to life, health and property caused by the threat of a landslide in the Wiseman Creek area of the District of Sicamous is hereby **lifted** effective Monday, May 9, 2022 at 10:00 Hours.

All properties in the Evacuation Alert area are now **ALL CLEAR**.

The area downgraded to **ALL CLEAR** status is:

Sicamous Creek Mobile Home Park
All residences # 1 through #27 - 5 Highway 97A

Please refer to the attached map for details.

Due to the ongoing landslide risk in this area, residents are advised to stay informed.

Regularly monitor the Shuswap Emergency Program's (SEP) webpage at www.shuswapemergency.ca, the District of Sicamous website, www.sicamous.ca, the Shuswap Emergency Program on Facebook and Twitter, and the District of Sicamous' Facebook, Twitter and Instagram platforms. Or sign up for Alertable, the region's emergency mass notification system, at www.csr.bc.ca/alertable
